

BAHCO 26" NEXT GENERATION TOOL TROLLEY

# STORAGE HUB E77 'PREMIUM'

The E77 Premium Storage HUB combines top of the line safety with innovative design to meet the needs of people working in heavy-duty environments. The innovative, strong case is a key element at the core of the E77. Its exclusive style and ingenious safety features—from anti-tilting drawers with individual shock-protecting bumpers to precision wheels with a cutting-edge dual-braking system—set it apart as a premium solution. With modular functionality, it can also be combined with a large range of innovative accessories that can be attached to the top, side and bottom of the trolley, to simplify your work and improve efficiency. It is a perfect combination of convenience, safety and top performance.
