

1-552678-2

Tel-Splice Connector, 3-wire, gel filled, translucent, 100 box/carton

Product Classification

Product Series	Tel-Splice
Product Type	Splice
Regional Availability	Asia EMEA Latin America North America

Body Features

Connector Module Color	Translucent
Sealant	Gel filled

Contact Features

Contact Plating Material	Tin
--------------------------	-----

Dimensions

Insulation Diameter (Max)	2.03 mm 0.08 in
Wire/Cable Size	26 – 19 AWG

Operation/Application

Environment	Outdoor
-------------	---------

Packaging Features

Packaging Method	Box/Carton
Packaging Quantity	100

Usage Conditions

Operating Temperature Range	-40 – 85 °C
-----------------------------	-------------
